

International schools

International College of Continuous Education

ICCE was founded at the dawn of sovereignty; our college has been successfully implementing its authorized concept of teaching and upbringing. The school has harmoniously aligned national and international educational standards. It is the result of laborious efforts and personal merit of the college founder and permanent leader Dr. Lyudmila Shelukhina and a highly professional staff. Today ICCE is committed to national and international traditions which are highly appreciated by the community.

Stages of School:

- Kindergarten from 3 years old;
- Pre-school education;
- Basic school;
- Secondary education;
- Continuation of training in Oxford, UK (baccalaureate, master).

Haileybury Astana

Haileybury is a leading British independent co-educational school offering contemporary boarding and day places for 11-18 years old. Established in 1862, Haileybury combines tradition with modernity, harnessing the very best of over 150 years' teaching experience, finely tuned for today's world. Haileybury creates confident individuals, with leadership, collaborative and social skills developed by our co-curricular programme and nurturing environment. With a guiding moral compass in place, our pupils are prepared for the first choice university, and life beyond, as global citizens. Haileybury Astana was opened by President Nazabayev in 2011 and is an IB World School preparing young people to become leaders of the future and to achieve their dream of attending a world top university. From an early age, pupils take part in a wide range of activities to challenge and extend their knowledge and skills in an increasingly global world. Above all however Haileybury Astana is a school that cares for every one of our pupils as we guide and support them into an exciting future.

Stages of School:

- Kindergarten;
- Reception class;
- Junior school;
- Secondary school.

Kindergarten

Marshmallow Academy

In fact, our name derives from the famous and groundbreaking "Marshmallow Test" research which included preschoolers, sweets and one of the most influential psychologists of 20th century, Walter Mischel.

It took place at Stanford University in the 1960-s and continued for almost 50 years!

Nowadays, it's becoming more challenging to juggle work and life. However, choosing the right childcare is a guarantee of a happy atmosphere in your family.

We realise that early education is one of the most important aspects of a child's development. Let us help you and take the weight off your shoulders.

At Marshmallow Academy we aim to prepare your children academically, as well as nurture their individuality, we also aim to bestow upon them an insatiable love for education. Our philosophies of good manners and kindness will accompany their education. Our kind, awe-inspiring teachers will make everyday of your little ones a remarkable and fun-filled experience.
